Susan,

Below is an email that went to Kelly yesterday, with information on tomorrow's meeting in Boise on the Unilateral Order with FMC. I understand that Kelly is on leave until Wednesday. I am hoping that he gets this message before then, and that he and/or other Tribal representatives can attend, either in person or by phone. If possible, I would like to speak with Kelly before the meeting. I will try to call him on his cell phone Wednesday morning before the meeting, or he can call me at any time.
